We knew we wanted elegant and classical music to accompany our black and white, outdoor, ocean-side wedding in Maine. Maine Bella Musica came highly recommended. Indeed, they were perfect. The weather was a bit cloudy and cool, but the music was lovely, enjoyed and appreciated by everyone in attendance. Laura was professional and extremely accommodating and intuitive to the style of music we were looking for. If we were to do everything all over, we would choose Maine Bella Musica again! Thanks again for giving us the most beautiful ambiance for our wedding!
