Subject: Thank you

Dear Laura,

As we have returned from the honeymoon and come back to real life, the glow from our wedding hasn't faded, as it was the most perfect day and you and Sascha were such an important part of that. Tyler and I are very grateful to you both for your wonderful music. I could hear you clear as bell all the way up in the bridal suite and your music had the ability to sooth the savage breast of one bride who was panicking about the possibility of rain. You and Sascha quite literally set the tone for an exquisite ceremony, and I could see our enchanted guests collective intake of breath as they were welcomed into such a stunning setting with your dulcet tones. We were very lucky to have such professional musicians usher us into the first steps together as husband and wife and are deeply in your debt. My only regret was not being able to meet you in person to thank you as I was whisked away for photos, but please do know how much we appreciated your services and all of your help in planning.

With many thanks and best wishes,

Heather & Tyler Perrin
